

Glossary

Glossary

ERW	Emergency-Rescue Works
ACS	Automated Control System
OL	Overhead (Transmission) Line
HEI	Higher Education Institution
YYYY	years
AIPP	Annual Integrated Purchasing Program
S&A	Subsidiaries and Affiliates
VHI	Voluntary Health Insurance
DPP	Diesel Power Plant
UNPG	Unified National Power Grid
UPS (IPS)	Unified (Integrated) Power System of Russia
HUS	Housing and Utility Sector
CJSC	Closed Joint Stock Company
St.	Stakeholders
EA	Executive Apparatus
IP	Investment Program
CPI	Consumer Price Index
KRI	Key Risk Indicator
Corporate Code of Conduct	Corporate Code of Conduct, approved at the session of the Government of the Russian Federation on November 28, 2001 and recommended for use according to Regulation No.421/r of the FCSM of the Russian Federation of April 04, 2002
KPI	Key Performance Indicator
CSR	Corporate Social Responsibility
LSDP	Local Sewage Disposal Plant
PTL	Power Transmission Line
MOI	Ministry of the Interior
IDGC	Interregional Distribution Grid Company
IFRS	International Financial Reporting Standards
MTS	Material and Technical Support
EMERCOM	Ministry of the Russian Federation for Civil Defense, Emergencies and Elimination of Consequences of Natural Disasters
VAT	Value Added Tax
R&D	Research and Development
NPF	Non-State Pension Fund
AI	Accident Insurance
JSC	Joint-Stock Company
JDU	Joint Dispatcher Unit
AWP	Autumn-Winter Period
SOP	Special Operation Mode
OTM	Operative and Technical Management
OLTC	On-Load Tap-Changers
CCGT	Combined Cycle Gas Turbine
PD	Production Department
SS	Substation
GR	Government Resolution
PTUO	Primary Trade Union Organization
PEC	Production Environmental Control
PCB	Polychlorinated Biphenyls
HRM	High Risk Mode
RTC	Regional Tender Committee

TRC	Regional Tender Committee
DTS	Distribution Transformer Substation
IRM	Increased Readiness Mode
PST	Power Shift Transmission
RGC	Regional Grid Company
RUIE	Russian Union of Industrialists and Entrepreneurs
DTS	Distribution Transformer Substation
RF	Russian Federation
REG	Region of Electric Grids
ICS	Internal Control System
BD	Board of Directors
NWFD	Northwestern Federal District
AS	Average Salary
PPE	Personal Protective Equipment
MM	Mass Media
QMS	Quality Management System
PPRS	Personnel Professional Reliability Services
SEI	Secondary Education Institution
RMS	Risk Management System
CMV	Commodities and Material Valuables
TC	Technological Connection
TS	Transformer Substation
TRM	Technical Re-tooling and Modernization
M&R	Maintenance and Repair
HC	Housing Cooperative
TGO	Territorial Grid Organization
TC	Technical Conditions
CHPP	Combined Heat and Power Plant
MC	Management Company
SD	Sustainable Development
FL	Federal Law
SF	Salary Fund
FGC	Federal Grid Company
FTS	Federal Tariff Service
ES	Emergency Situations
CTC	Central Tender Committee
CSC	Customer Service Center
ETP	Electronic Trading Platform
EG	Electric Grid
RES	Retail Energy Supplier
RAB	Return on Invested Capital Method
SAIDI	Average Length of Interruption of Electricity Supply to Consumers in the Grid
SAIFI	Coefficient of Average Frequency of Interruptions of Electricity Supply to Consumers in the Grid

Measurement Units

Ha	Hectare. Area unit
kV	Kilovolt. Voltage unit
kVA, MVA	Kilovolt-ampere, megavolt-ampere. Electric power unit
kWh	Kilowatt-hour. Electric energy unit
kW, MW	Kilowatt, megawatt. Electric active power unit
km	Kilometer. Length unit
bln.	Billion. Measurement unit
RUB	Ruble. Unit of currency
t	Ton. Weight, mass, volume measurement unit
thous.	Thousand. Measurement unit
